#### Report of the Select Committee

I, the Chairman of the Select Committee to which the \*Bill further to amend the Delimitation Commission Act, 1952 was referred, having been authorised to submit the report on their behalf, present their Report, with the Bill as amended by the Committee annexed thereto.

2. The Bill was introduced in the Lok Sabha on the 16th December, 1954 and was referred to a Select Committee on the 18th December, 1954 on the motion being adopted by the House.

3. The Committee held two sittings—on the 21st and 22nd December, 1954.

4. At the first sitting of the Committee, the general principles outlined in the Bill were considered. Clause by clause consideration of the Bill was also taken up and concluded at the same sitting.

5. The Committee considered and adopted the report on the 22nd December, 1954.

6. The observations of the Committee with regard to the principal changes proposed in the Bill are detailed in the succeeding paragraph.

7. *Clause 2.*—The Committee considered it necessary to make provision on the lines of the proposed section 9A not only in regard to States where the final delimitation order has not yet been made by the Delimitation Commission but also in regard to States where the revision of population figure might be made after the delimitation orders have been finalised. In other words, the provision now proposed in section 9A should be generalised and amplified to cover the cases of all States, including Part C States. It is, however, considered sufficient to allow a period of one year for the contemplated revision of census figures in order that finality may be reached well before the next General Election. Sub-section (1) of the proposed section 9A has been re-drafted so as to provide for all possible cases. Where the revision of census figures takes place after the Delimitation Commission has finished its work and ceased to exist, it is pro-

vided that the powers of the Commission under the new section should be exercised by the Election Commission.

The Clause has accordingly been revised.

8. The Committee feel that justice should be done to scheduled castes and scheduled tribes which is the object of the Bill. The Committee were informed that the figures of scheduled castes and scheduled tribes have not been revised in most of the States. It is desirable that early steps should be taken by the census authorities to expedite the revision and general check up of figures of scheduled castes and scheduled tribes in such States. When the figures have been so revised the Delimitation Commission or other competent authority should take notice of the revised figures and make necessary changes in the delimitation of constituencies.

9. The Select Committee recommend that the Bill as amended be passed.

UPENDRANATH BARMAN,

NEW DELHI,  
The 22nd December, 1954.

Chairman,  
Select Committee.

(c) where a final order determining in respect of the State the matters referred to in sub-section (2) of section 8 has not been published, the Commission shall proceed with the making and publication of such final order on the basis of the number of reserved seats as redetermined under clause (b);

(d) where a final order determining in respect of the State the matters referred to in sub-section (2) of section 8 has been published, the Commission shall make such amendments in that order as it may find necessary for the purpose of giving proper representation to the scheduled castes or the scheduled tribes on the basis of the number of reserved seats as redetermined under clause (b); and

(e) every order made under clause (b) or clause (d) amending a final order of the Commission shall be published in the *Gazette of India*, and on such publication that final order as so amended shall have the full force of law and shall not be called in question in any court.

*Explanation.*—In this sub-section, all references to the Commission shall, after the Delimitation Commission ceases to exist, be construed as references to the Election Commission.

(2) Nothing in sub-section (3) of section 8 shall apply in respect of the redetermination of numbers under clause (b) of sub-section (1) of this section.

(3) As soon as may be after the publication in the *Gazette of India*, every order made under clause (b) or clause (d) of sub-section (1) shall be laid before the House of the People."
